2. 2025 SCCA RoadRally Rules published at <https://www.scca.com/pages/roadrally-rules>

- a. Article 10 Entry Requirements

- B) Number of Contestants per Crew**

Each vehicle participating in an NTR or NCR shall have two and only two participants. Each vehicle participating in any other SCCA **RoadRally** event shall have at least two participants, but no more than can safely be carried in the car (generally determined by the number of available seat belts). Event GIs may also specify any limit within this range. Children ten years of age and under may ride with their parent(s), without counting against the maximum limit of 2 participants. Any participant under the age of 18, however, must have a minor waiver signed by both parents. Trek events may have one participant.

- C) Driver's License**

Drivers shall be required to certify that they hold a valid automobile operator's license for the state in which they reside as of the date of the event.

- F) Substitution of a Crew Member**

Substituting, for any reason, another person in place of either member of a crew originally entered in a rally after the car has departed from the starting line of the first phase of the event shall result in a score of DNF (did not finish) for the car and its crew members.

- G) Liability Release**

All entrants, rally committee members, and workers in any SCCA **RoadRally** must sign a waiver at each event.

- M) Release and Waiver of Liability, Assumption of Risk and Indemnity Agreement**

All participants shall be required as a condition of participation to sign all required entry forms including but not limited to such releases as shall be required by SCCA and/or its insurers.
